

## TALK SNACK #1

Your friend's dad is giving both of you a ride home from a birthday party. You had a really good time. When you get in the car you can smell that Mr. Ross has been drinking. Your parents have told you never to get into a car with someone who has been drinking but you don't want to upset your friend by saying something. Or should you?

★ What should you do if you ever find yourself in this difficult situation?

(a) Stay in the car and pray you don't get in a car crash; (b) Make an excuse that you have to go back in the house (and then call your parents); (c) Head back into the party and tell an adult; (d) Say to Mr. Ross as you get out of the car, "My parents don't want me to drive with someone who has been drinking alcohol." Take your friend with you.

★ Read Romans 12:9; Ephesians 5:18
